**Methodology, Methods,  
Models and Outcomes of Health  
and Social Sciences**  
UVIC-UCC

**Iris CC**

# Continence Care in long-term care

2

## Aims of the GOLTC interest group

- To **promote continence care in long-term care** to enhance people's **dignity and well-being**.
- To **exchange knowledge** between academics, care home practitioners/managers, stakeholders, etc, so that modern continence care can reach older adults.

(University of Alberta,  
Canada)

**Mary Lynne Van  
Poelgeest-  
Pomfret** (World  
Federation of  
Incontinence and  
Pelvic Problems)

**Tomasz Michalek**  
(World Federation of  
Incontinence and  
Pelvic Problems)

## Webinars

- Regular webinars where participants will share their views and discussions, share evidence-based practice, as well as innovative approaches for continence care in older adults.
- Open to everyone interested in continence care in ageing.
- 3-4 per year
- Next probably on “SUSTAINABILITY AND WASTE MANAGEMENT”.
- We are open to your ideas for next webinars !!!

Co-funded by  
the European Union

**Boosting innovation, entrepreneurship and training  
for PROmoting CONtinenence  
in Nursing Homes**

Co-funded by  
the European Union

## QUESTIONS FOR THE AUDIENCE

- 1) Which assessment instruments for continence (urinary / faecal) do you know?*
- 2) How is continence and pelvic health assessment carried out in long-term care in your country / region / facility? Who performs it, how often, ... and how are results used in care planning?*
